**Overview:** I'm a recent code school graduate making a career transition into software development. I'm looking for a position where I can contribute quickly, grow my skills, and be exposed to new languages, the latest technologies, and great coworkers. Please see my GitHub for code examples and projects.

## Education and Training

**Alchemy Code Lab** - Bootcamp: Intermediate Software Development (April - June 2018)

**PDX Code Guild** - Intro to Programming (November 2017)

**State University of New York at Cortland** - B.A. Professional Writing (degree conferral May 2015)
