Overview: I'm a recent code school graduate making a career transition into software development. I'm looking for a position where I can contribute quickly, grow my skills, and be exposed to new languages, the latest technologies, and great coworkers. Please see my GitHub for code examples and projects.

Education and Training
Alchemy Code Lab - Bootcamp: Intermediate Software Development *(April - June 2018)*
PDX Code Guild - Intro to Programming *(November 2017)*
State University of New York at Cortland - B.A. Professional Writing *(degree conferral May 2015)*
